I agree, Suzanne. There are two ways to look at the 2nd paragraph—keep it as it was in the version Matt sent out, or make Suzanne’s changes. I put my changes (after Ntale’s) in an Word document so I could Track Changes. Y’all can decide what your intention was with the 2nd paragraph and either go Suzanne’s route or the one I suggest in the attached document. Either is correct. If you go my route, you may want to clarify that the 2nd paragraph refers to consultation, not the webinar.

I added a few edits to Ntale’s below. Most importantly,

Otherwise, the email looks great.

Subject: FL Assumption- Informational Webinar for Tribes

Following up on our Thursday call with the R4 Tribal coordinators, Michael put together the following email that we would like to send to the tribes inviting them to participate in an informational webinar on FL's 404 assumption request. The purpose of the webinar would be to give the Tribes more information about the undertaking so that they can make a more informed decision about whether they want to consult under NHPA 106. In the email, we encourage the tribes to consult with us asap but no later than October 7, which I estimated to be 30 days from the date of receipt of the September 2 letters inviting the tribes to consult under NHPA. I chose September 22nd for the webinar (one week from

today) but given the fact that 30 days from receipt is October 7th, we could potentially have the webinar later in the week of September 21st or early the following week. If possible, please review prior to our 11:00 call this morning.

Thanks,

Matt
